## PRESS RELEASE

### **Direct Cargo Service Between Singapore – Maldives & Port Kelang – Maldives**

We are pleased to inform our valuable stakeholders of our plans to start direct cargo service between Maldives and the Southeast Asian ports of Singapore and Port Kelang, Malaysia. This service is expected to commence starting from July 2022 with the delivery of the newly acquired vessel for MSS fleet, “MSS Graphene”.

***“MSS will continue to expand its services to other sectors, and we have chosen Singapore Port and Port Klang, Malaysia to the Maldives as our next trading area. We further have plans to expand the direct cargo service to the ports of the middle east in the near future.”***

**– Captain Abdullah Saeed: – Managing Director –**

MSS initially started off its operations with a chartered vessel of 1118 TEUs capacity and later shifted the operations to our own vessel “MSS Galena” starting from November 2021. MSS Galena is a multipurpose / container vessel with a capacity of 680 TEUs. This vessel runs a regular 10-day schedule between Maldives and Colombo. Our current services include:

- Liner Service
- Feeder Operations
- NVOCC (Non-Vessel Operating Common Carrier) Operations
- Freight Forwarding
- Ship Agency Service

Our services are available from key ports of the Asian and Gulf region.

We take this opportunity to thank our customers for their support and understanding.
